NURSES

Real talk • Real tools • Real impact

–Death Essentials–

Skills you shouldn't learn on the floor

- The power of **emotional intelligence**
- Nuances of **palliative and hospice**
- Gain **insight** into the dying process
- Delve into **grief and self-reflection**
- Essential **conversation techniques**

Immersive – Interactive – Impactful
Share – Practice – Question – Engage

"Erin provided a space to talk about the only certain thing in life: **death**. I use the workshop tools to cultivate reassurance for my residents and their families. These are long-lasting skills that I will carry throughout my career."

—Tara S., LPN

"An amazing day. Thank you for your transparency, honesty, passion & research-based knowledge. A fruitful day that will impact my career & personal relationships!"

—Anne K., RN
